ANNUAL REPORT- ACADEMIC YEAR 2021- 2022

I am happy to present the annual report for the academic year 2021-2022. A.V.P. College of Arts and Science has its inception from the year 2015 with a view to provide quality education to the young and aspiring students. Our motto is "To strengthen our nation by means of providing valuable education to the society". The college has witnessed several developmental activities this academic year.

The academic activities of the college for the academic year 2021-2022 began on 23rd July 2021. A total number of 642students were admitted for all the 14 disciplines. Application was sent to Bharathiar to start new programmes B.Sc. CDF, B.Sc. Biotechnology and M.Sc. Computer Science during this academic year.

We have conducted 11 value added courses for the enhancement of the student knowledge in which 1152 students got benefitted. This enabled the students to enrich their subject competency and expertise in their desired discipline. Mentor mentee system plays a vital role in grooming the students for a better future. Every mentor will have 20 mentees and are constantly facilitating and guiding the students to become successful. In order to see the progress in the performance of the students, we organize Student Academic Council meetings frequently.

1155 students effectively underwent internships, fields and completed innovative projects as a part of their curriculum.

For effective learning, A.V.P. College of Arts and Science has got a built up area of 1 lakh sq. ft with a library, three computer labs, a seminar hall, rest rooms in all floors and well-furnished staff rooms. All the classrooms are well- furnished with desks, green ceramic boards, pinup boards and five fans. The Library is well established spaciously with 3000 sq. ft. It includes separate study area for PG courses. The Library provides DELNET, EBooks, E-Journals, etc. It also functions with technical facilities like Bar Coding system, MOPAC and high tech digital library. ERP system has been utilised in our college to manage the admission process, students' enrollment, students attendance and grades.

Our management has been encouraging the meritorious, sports excellent and economically downtrodden students by means of awarding scholarships at the time of

admission in terms of fee waving. 1294 students were benefited with management scholarships of Rs. 36,04,000/-. Moreover 47 students are benefitted by various government bodies scholarships of Rs. 1,26,550/-

A.V.P. College of Arts and science provides a platform for each and every student to showcase their talent, organizational skills and work in a team. Students gain exposures through supporting cells and clubs. Our college encourages co-curricular and extra-curricular activities for holistic development of our students. 1091 students were benefitted by the guidance for competitive examinations and career counseling offered by the institution.

In order to nurture patriotism in students mind, our college celebrates Independence Day, Republic Day and Bharathiyar Day every year. Sangamam would be organized every year to welcome the first year students. On September 9, 'SANGAMAM 2021' was organized for the academic year 2022-23. Dr. Jayanthasri Balakrishnan, Rtd Professor and motivational speaker was invited as the chief guest. To promote and cultivate the culture and tradition, A.V.P. College of Arts and Science organizes various celebrations like Gokulashtami, Navratri, Onam, Pongal and Diwali.

The students learn about culture and tradition of the other places and gain knowledge about the important monuments of art and architecture through educational tours. Students were regularly taken to various factories.

Students participated in about 64 sports and cultural events. Our sports team outshined in all the games and brought laurels for their distinguished performance and proved their success. Students had won 15 awards and medals in this academic year for their outstanding performances in sports and cultural activities at national and international levels. 18 extension and outreach programs were conducted in collaboration with industries, schools, etc. Final year students of English, Mathematics and Computer science department were taken to the school to train the school children. 20 workshops, seminars, conferences relating to research methodology, IPR and entrepreneurship were conducted during the academic year 2021-2022. Alumni students, parents, teachers and employers feedbacks are collected regularly for institutional development every year.
